BCU Paddlepower application form

Our paddlepower course is a five session course based on the British Canoe Union Paddlesport Performance Awards syllabus. The course runs on a Wednesday evening; 6pm for approximately 2-2.5 hrs. All five sessions provide training in the basics of canoe safety and control, within the safe confines of Hayle Harbour. , this includes the safe execution of the capsized drill. Tuition is provided by fully qualified BCU instructors.

As a basic requirement all applicants are asked to confirm their ability to swim 25 metres.

The club will provide kayak, paddle buoyancy aid and protective helmet. All students are required to bring clothing suitable for watersports – you will get wet! A wetsuit is ideal, preferably with short arms, but a couple of thin layers for the upper body covered by a lightweight windproof jacket will be ample, along with a pair of shorts/lightweight trousers. An absolute must is suitable footwear – an old pair of trainers you don't mind getting wet, "jellies", beach shoes or wetsuit boots. Finally please bring a warm change of clothes for when paddling is finished –you cool down quickly once you stop exercising. We do have basic changing facilities, but unfortunately no toilets at present.
